

Regenerated catalyst for Kia Venga YN 1.4 2010-2014

Product codes:

Reference: REG-KIA027

EAN13: -

Product features:

Cartridge material: Metal - type S

Producer: OE

Engine capacity: 1.4

Year of production: 2010-2014

Horsepower: 90 HP

OE number: 285102BIH0, 28510 2BIH0,
28510-2BIH0, 2BIH0, W2BIH0

OE number: 285102BIA0, 28510 2BIA0,
28510-2BIA0, 2BIA0, W2BIA0

Product type: Regenerated

Engine code: WJ43

Warranty: 12 months

Product attributes:**Product description:****WITHOUT DEPOSIT**

Purchase with return of the old part – the item is shipped after we receive the old catalytic converter. The unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments.

The catalytic converter regeneration process involves replacing the worn-out core with a new metallic one, restoring full system performance and meeting EURO 5 emission standards. During regeneration, high-quality 600 cpsi metal cores are used, matching the parameters of the original part. Thanks to the applied cores, no error codes appear in the engine control unit. In rare cases, a manual error reset using diagnostic equipment may be necessary, which is a normal procedure after replacing exhaust system components.
