Product description:

NO DEPOSIT

Purchase when you pass the old part, we will ship the goods after you deliver the old catalytic converter. The delivered part must be complete, original, marked with OE number, and must not have mechanical damage and signs of tampering. We do not accept COD shipments.

We offer a catalytic converter regeneration service, i.e. replacement of the inserts with new ones. The cartridges used meet the emission standards and effectively eliminates the error of low efficiency of the catalytic converter.

Metal core cartridges are much more durable than the original ceramic ones, and the density of 200 cpsi faithfully reproduces the factory capacity, ensuring optimal engine power.
