

AWG exhaust pipe reduction cone

Product codes:

Reference: KSC

EAN13: 5905601235521

Product features:

Producer: AWG Polonez

Wall thickness: 1,5 mm

Material: Stainless steel S409

Application: Universal

Product attributes:

Cone diameter: 63,5/107 mm, 63,5/112 mm, 60/115 mm, 58/116 mm, 63,5/117 mm, 63,5/124 mm

Cone length: 60 mm, 65 mm, 70 mm, 85 mm, 90 mm

Product description:

Universal AWG cone made of S409 stainless steel. It is perfect for building custom exhaust systems, especially recommended for welding sports catalytic converter inserts.

It comes in one size and can be cut to any size, increasing or decreasing the diameter.
